More details about registration available from Alaine Helder or Lena Pasma.

**Senior Pastor Search Committee Update:** Our committee has met four times. We have reviewed a number of profiles, some we requested, others we received from pastors who have heard that our senior pastor position is vacant. At our last meeting we began the process of focusing on some of the pastors whose profiles looked like they might be a good match for our congregation. The committee will be visiting some churches to listen to the pastors lead a service. In preparation for interviewing candidates a list of sample questions is being prepared by the committee members. As we get further along into the process we realize more and more how much we need to rely on the Lord's leading. The committee reminds the congregation to keep the need for a senior pastor in your prayers. If anyone has a name of a potential candidate please pass the information along to one of the committee members or Committee Chairman, Charlie Dykxhoorn.
